Subject: Essex Highways - BUS INFORMATION RE:Mundon Wash Bridge, Mundon Rd, Mundon

Please be advised the latest information relating to bus services has been updated to the Mundon Wash Webpage. This reflects that:

- Bus Services 31, 31B, 31C, 31X and 33 operated by First Essex Buses will not be able to serve Mundon Village during the closure of Mundon Wash Bridge. Therefore for the first **2 weeks** of the closure a shuttle service will be provided by Arrow Taxis. During this period we will assess passenger demand.

The shuttle service will operate between Mundon Village and The Red Lion in Latchingdon and from Mundon Road to The White Horse in Maldon for onward connections with services above. **To use this service please telephone Arrow Taxis for bookings on 01621 855111 giving one hours' notice.**

This passenger information will be reflected in local bus stops in due course.

- Sible Hedingham have confirmed no changes will be necessary to the Plume school service.

Please note we will continue to post updates on the webpage as the scheme progresses and keep you informed for your onward communication. You may wish to link your parish webpage to our dedicated page (link below):
